[Redacted]
Delta State.

Dear Sir,

COMPLIANCE WITH INDUSTRIAL INSPECTORATE DECREE 53 OF 1970 (CAP 18 LFN 2004):
OUTSTANDING RETURNS ON 2015 CAPITAL EXPENDITURE.

Please be informed that it is the requirement of the above-named Decree that Companies file their annual Returns on Capital Expenditure with the Industrial Inspectorate and Development Department of Federal Ministry of Industry, Trade and Investment and obtain necessary **Acceptance Certificate**, which authenticates the **provisional Capital Allowance** granted by the Federal Inland Revenue Services (FIRS). We would like to remind you that the statutory **ACT** on Capital Expenditure is still in force.

While acknowledging your compliance with the law up to 2014 financial year, you are to note that your returns for 2015 financial year is due. We would therefore advise that you comply with provisions of the **ACT** by filing the outstanding returns immediately.

Thank you.

Yours Faithfully,
